Amanda Christine Davis was born on February 17, 1990. Her parents are Kenneth and Christine Davis. She has two older brothers named Josh and Steven, one older sister named Stephanie, and one younger brother named Justin. She also has three Chihuahua dogs named Izzy, Bruiser, and Taya. She is involved in Pep Club. For fun, Amanda likes to hang out with her friends.

If Amanda could live during any time period, she says she would live in the present. Her favorite candy is Sour Patch Kids and her favorite movie is I Think I Love My Wife. If she had \$1 million she would spend it on a really nice car. She likes giraffes, "because they are cute". Her favorite teacher is Mrs. Breiner. "She always helps me out," Amanda says. After high school, she plans to attend college.
