Cassie Webb was born on October 14, 1989. She is the daughter of Jodie and David Webb. She has three siblings, Sarah Webb 22, Stuart Webb 21, and David Webb 16. Cassie has 27 dogs, 4 horses, 3 fish and 7 cats. She plans on being a parole officer after graduation. During her spare time, she works “a lot” and likes to hang out with friends, her boyfriend, and go shopping. During her freshman and sophomore year she was a wrestling manager and ran cross country. Her favorite teacher is Mr. King “he is a great teacher but can also have a couple laughs now and then. And he has also had a few serious talks with life that made me really think.” If Cassie could take a trip anywhere, she would go to London. “One of my good friends from Wamego has diabetes and he always said if he won the lottery he would go there because they have a cure for diabetes, so I figured I could return the favor.” Some of her favorite animals is a dog “because they are extremely affectionate, smart and can always tell when something is wrong with you.” Candy, lollipops and jolly ranchers are her favorite candies. She likes rap, R&B, and rock music. Her favorite movie is *The Notebook*. If Cassie received a million dollars today she would “build a house, buy a car, help relatives, loved ones and give the rest to a good charity.” Her favorite high school memory is hiding random things with Jill, Jess, Melissa Fry and Josh Wright. “Those things will always remain a secret.”
