Josh Daigler was born on May 15, to Michael and Bernadette Daigler. He has 5 siblings: Emily, Tom, Nick, Matt, and Abigail. His plans after high school are to be in the Marine Corps. He attends the marines after school and is in their DEP (Delayed Entry Program). Daigler's favorite animal is a Tiger because they are vicious. Pizza is his favorite food. He would choose a time period of 24-480 B.C. A Mesquite tree is what he would want to be if he was a tree, because it has giant thorns. His best high school memory was getting his NJROTC medal. If Daigler could take a trip anywhere, he would go to England. Mr. King is his favorite teacher because King is a wild man. In 10 years he sees himself in the Marine Corps and in 20 he sees himself retiring from the Marines. The person he admires the most is Gunnery Sergeant Carlos Hathcock. His favorite candy is the 100 Grand Bars. His favorite type of music is metal. His favorite movie is *Superbad*. Daigler would live off of the interest of 1 million dollars if he had it.
