Kaitlin (Katie) Eastman was born on September 15, 1989 to Sheryl Albin and Rocky Eastman. She has a stepmother named Gayla Eastman. Her siblings are Ian, Rachel, and Sarah. Eastman's plans after high school are to attend Highland in Wamego for her pre-requisites and then go to a college for pastry/culinary or art. After school she works, watches movies, reads, does homework, and hangs out with friends. She participates in Pep Club and Scholars' Bowl. If she could choose any time period to live in she would pick 1960 -1970's. Eastman has a cat named Murf.

She would want to try to travel everywhere if she could go somewhere. Her favorite teacher was Mrs. Smith because Mrs. Smith was "the bomb". Her favorite classes in high school are Anatomy and Government. In ten years she sees herself somewhere in the U.S. making pastries and raising a family or at least starting one. Her favorite candy is Snickers or Lemonheads. Her favorite type of music is Rock. Her favorite movie is *The Nightmare Before Christmas*. If Eastman had 1 million dollars she would spend it, but she is not for sure on what.
