Logan was born to Galen and Linda Craghead on July 30. He has two brothers Levi, 15 and Luke, 11. Logan plans to go to college somewhere and play baseball after high school. He likes to go to practice for whatever sport he is in at the time and ride around with his friends Kody and Tyler. Logan is a member of Skills USA, FCA, Pep Club, NHS, FFA, and Scholar's Bowl. His favorite food is pizza, and if Logan was a tree, he said he would like to be a bonzai tree because they look cool. He has one dog named Hoss and three cats named Ranger, Mika and Dog. If Logan could take a trip anywhere he would go to Cancun because it looks like a fun place. Mrs. Schrader is his favorite teacher because she's so awesome. Body Fitness is his favorite class because he gets to work out in it. Logan hopes to be playing baseball in ten years. Hank Aaron is the person Logan admires most because he was one of the greatest baseball players of all time and overcame many obstacles in his life. Logan's favorite candy is Snickers, he listens to country music, his favorite movie is Old School and if he had \$1 million he would buy a car. Logan says to underclassmen "Make the most of your high school days because it will go by faster than you think."
