Scotty Cavanaugh was born on March 29, 1990. His parents are Amy and Jared Gudenkauf. He is an older brother to a sister named Jessy, who is seven. He has three dogs named Tack, Chip, and Toby. He is involved in many school activities such as Skills USA, FFA, Student Council, Pep Club, baseball, and basketball. Outside of school Scotty enjoys to fish and hunt.

Scotty's favorite type of music is country, and his favorite candy is Reese's. He has a hidden talent, which is cheerleading. If he could take a trip anywhere in the world he would want to go to Brazil. In twenty years from now he sees himself being a professional bass fisherman.

His favorite teacher is Mr. Davis, because he likes his Ag. Mechanics class. If Scotty could choose any time period to live in, he would choose now, because he loves his life. After high school Scotty plans to attend a technical school.
