Wayne Flerlage is the son of Joe and Diane Flerlage. He was born on November 17, 1989. He has two brothers, Adam, 22, and Tony, 20, and one sister, Brenda, 13. Wayne is involved in cross country, track, FCCLA, and FFA. In his free time he enjoys to go hunting, fishing, and trapping. If he could live during any time period, he would choose the present.

Wayne's favorite class is Ag. Mechanics, "because I like to get things done." He also likes the teacher, Mr. Davis, "because he turned the Ag. program around." His favorite food is cherry cheesecake and his favorite movie is Shooter. If he could travel anywhere, he would want to go to Alaska. In ten years he sees himself living in Wyoming doing animal damage control.

Wayne's favorite high school memory so far is winning regional track his freshman year. After high school Wayne plans to work with his brother Adam and lay tile.
