Zack Hallenbeck was born on November 5, 1989 to Scott and Tina Hallenbeck. He is a middle child, with one older sister, Erica, and one younger sister, Shelby. He also has two dogs, two snakes, and two cats as pets. He is an active member in both the WHS Pep Club and FFA.

Zack enjoys hanging out with his friends after school or working at Pizza Hut in Wamego. His favorite movie is Drumline and his favorite candy is Butterfinger. His favorite class is Horticulture, taught by Mr. Davis. If he could be any type of tree he would want to be a palm tree because he's laid back. If he could go anywhere in the world he would go to Alaska because he likes the snow. He also likes polar bears. If Zack had one million dollars he would spend it on a lake in the middle of nowhere and building a house by it.

Zack's favorite high school memory so far is when Josh Hedges, Blake Geisler, and he were balancing on a balance beam by some cars and Josh fell and hit the car, causing the alarm to go off. After high school Zack plans to go to a cooking school in Texas.
